

**Edition-Index 5: Military units (*comitatenses*) in the western lists in the *Compilation 'notitia dignitatum'* (Cnd)**

*italics:* the Cnd form of the word is uncertain because the primary copies have equally valid alternatives for the italicised alphabetic symbol or symbols;  
underline the Cnd form of the word is probably an inaccurate representation, in the underlined alphabetic symbol or symbols, of the word in a *pre-Cnd* text.

**Infantry**
